MY GROCERY LIST

四

DATE: M T W T F S S

The diagram consists of three vertical columns. Each column begins with a large red rectangular box at the top. Below each large box are approximately seven smaller red rectangular boxes, which are evenly spaced. Underneath each of these red boxes is a vertical column of small, light-red circular nodes. These nodes are arranged in a grid-like structure, with horizontal dotted lines separating the rows of nodes. The entire diagram is set against a white background.
